

Searching for a reason why  
Searching where the leaves don't grow, grow, grow

Yo  
The pitter patter gave a rather rinse and lather feeling  
As opposed to shitty attitudes that made me bitter after laughter  
I dearly regretted it  
I take the D train to go to BK  
I can't defeat rain

And as far as we go  
And as far as we go  
And how little we know  
And how little we know  
Searching for the weekend love  
Searching where the leaves don't fall  
When the land is widow (oh)  
Fall to the ground

Speak to me  
Speak to me  
Speak to me  
Speak to me  
Speak to me  
(So bright)  
Speak to me  
(So bright)

And as far as we go  
And as far as we go  
When the land is widow  
Fall to the ground

(So bright)  
Speak to me  
(So bright)  
Speak to me  
(So bright)  
Speak to me  
Speak to me  
(So bright)  
Speak to me  
Somebody  
Please don't run away  
Speak to me  
Speak to me  
(So bright)

A true friend of ours was talking on the phone

Please don't run away  
Oh, please don't run away  
Please don't run away  
Oh, please don't run away
