

Note to God

Jojo

If I wrote a note to God
I would speak what's in my soul
I'd ask for all the hate
to be swept away,
For love to overflow
If I wrote a note to God
I'd pour my heart
out on each page
I'd ask for war to end
For peace to mend this world
I'd say, I'd say, I'd say

Give us the strength to make it through
Help us find love
cause love is over due
And it looks like we haven't got a clue
Need some help from you
Grant us the faith to carry on
Give us hope
when it seems all hope is gone
Cause it seems like so much is going wrong
On this road we're on

If I wrote a note to God
I would say what on my mind
I'd ask for wisdom to
let compassion rule this world
Until these times
If I wrote a note to God
I'd say please
help us find our way
End all the bitterness,
put some tenderness in our hearts
And I'd say, I'd say, I'd say

Give us the strength to make it through
Help us find love
cause love is over due
And it looks like we haven't got a clue
Need some help from you
Grant us the faith to carry on
Give us hope
when it seems all hope is gone
Cause it seems like so much is going wrong
On this road we're on

No, no, no
We can't do this on our own
So

Give us the strength to make it through
Help us find love
cause love is over due
And it looks like we haven't got a clue
Need some help from you
Grant us the faith to carry on
Give us hope

when it seems all hope is gone
Cause it seems like so much is goin wrong
On this road we're on

If I wrote a note to God
