

# One Last Time

Jojo

(One, two, three)

I been walking through this city  
Tears are finally dry  
No no, I'm not looking for your pity  
'Cause without you I been fine, so fine  
But I can't deny and I won't try  
You be running through my mind, ooh  
Though I been missing you baby  
I need to move on with my life, so what I'm saying is

Just one last time  
Lay by my side  
Just one last time  
Then I promise, no lie  
I'll say goodbye

And if you have another girl  
Not tryna complicate this, ooh  
But if you're lonely in this world  
Then don't act like a stranger, yeah  
You and I both know  
That we can never get this right, never gon' get right, no no no  
But you and I both know  
That we got history for life, so what I'm saying is

Just one last time  
Lay by my side  
Just one last time  
Then I promise, no lie  
I'll say  
I'll say it, I'll say it out loud

(One, last, time)  
Know we don't belong together  
So this don't need to last forever  
(One, last, time)  
So much that we just can't undo  
I can't help it boy, I'm so used to you  
(One, last, time)  
Every single time we try  
We never really can cut ties  
(One, last, time)  
But I'd be down to make a truce and go

Just one last time  
Lay by my side  
Just one last time  
Then I promise, no lie  
I'll say, say

One last time  
(One, last, time)  
Lay by my side  
(One, last, time)  
Just one last time  
(One, last, time)

Then I promise, no lie  
(One, last, time)  
I'll say goodbye, goodbye

(One, last, time  
One, last, time)  
One last time  
(One, last, time)  
One last time  
(One, last, time)  
I'll say it, I'll say
