

Porcelain

Jojo

I don't know what's coming over me
Took a look into the mirror found clarity
The moment I got rid of everything
I realized that I was my worst enemy

I had to break it
And rearrange it
And turn into a beautiful mosaic
I saw a problem
I had to change it
I left my sadness in fragments

Porcelain
Porcelain
Shattered pieces on the floor like porcelain
Porcelain
Had to shed a couple layers just to feel my skin
Porcelain
I let it happen 'cause I'm tired of forcin' it
Porcelain
And now I'm stronger than I ever been

This time I'll let things be
Can't open new doors with old keys
It's time I forgive me
Forgive me

I had to break it
And rearrange it
And turn into a beautiful mosaic
I saw a problem
I had to change it
I left my sadness in fragments

Porcelain
Porcelain
Shattered pieces on the floor like porcelain
Porcelain
Had to shed a couple layers just to feel my skin
Porcelain
I let it happen 'cause I'm tired of forcing' it
Porcelain
And now I'm stronger than I ever been

Somethin' died now I'm born again
My spirit flies now I'm traveling
I made a change and it's evident
And now I'm stronger than I've ever been
And now I'm stronger than I've ever been
