

## Proud (Outro)

Jojo

You have to live in the present, Jo. The thing that gets you in trouble and gets you thinking negatively and depressed is living in the past and thinking about the past. The more you dwell on it, the worse you, the worse you feel. All we have is the present, just the present. So just let your higher power work through you, he's inside of you.

That love, that love, that love  
Your higher, your higher power  
Power, power, power  
That love, that love, that love  
Your higher, your higher power  
Power, power, power

Somebody dealt your cards  
It wasn't fair at all  
Don't be ashamed of your scars  
Picked yourself off the ground  
Too many times to count  
That just shows how strong you are

'Cause people either love you or they won't  
It doesn't really matter if they don't  
I'm with you every second on this road in my heart

I'm so proud of you  
(I'm so proud)  
Proud of you  
(I'm so proud)  
I'm so proud of you  
(I'm so proud of you)  
Oh, oh  
I'm so proud of you  
(I'm so proud)  
Proud of you  
(I'm so proud)  
So proud of you  
(I'm so proud)  
So proud

We all have our regrets  
You always did your best  
I see it now that I'm grown  
Thank you for keeping me  
Always believe in me  
Teaching me how to let go  
Oh yeah

'Cause people either love you or they won't  
It doesn't really matter if they don't  
I'm with you every second on this road in my heart

And I'm so proud of you  
(I'm so proud)  
Proud of you  
(I'm so proud)  
I'm so proud of you  
(I'm so proud of you)

Of you  
I'm so proud of you  
(I'm so proud)  
I'm proud of you  
(I'm so proud)  
You  
(I'm so proud of you)

I remember that thing that you said in the car  
When I was too drunk to get home from the bar  
You looked at me and said, "You don't know how special you are"  
Yeah, I remember that thing that you said in the car  
When I was too drunk to get home from the bar  
You looked at me and said, "You don't know how special you are"

And you don't need to know about the future, or where you fit in, just be open-minded and know that you're fitting in your higher power's grand scheme of things. Don't think about the future, only this moment

I'm so proud of you
