

Start Over

Jojo

I won't try to change it if you made up your mind
But sometimes I wonder could we ever rewind
And see the mistakes before we make them this time
And start over, start over, start over

Yeah, I was loving, I admit it
A little raw, little vicious
Did I make the right decions?
Shit, sometimes I did, sometimes I didn't
I guess I grew up just a little
When I had a sitdown with my ego
We were always different people
But nothing ever quite equals us

He was a Gemini
Hard to handle half the time
Looking back, yeah, so was I
And I think regret it in this light

I won't try to change it if you made up your mind
But sometimes I wonder could we ever rewind
And see the mistakes before we make them this time
And start over, start over, start over
I won't try to change it, I will open my eyes
But sometimes I wish we could go back in time
See our mistakes before we said our goodbyes
And start over, start over, start over
Yeah, yeah, yeah

It's funny how I see it clearer
It's barely even been a year
Now when I think about forever
I keep on seeing us together, ooh

He was a Gemini (A Gemini)
Hard to handle half the time (Mm)
Looking back, yeah, so was I
And I think regret it in this light

I won't try to change it if you made up your mind (Oh)
But sometimes I wonder could we ever rewind (Could we ever?)
And see the mistakes before we make them this time (This time)
And start over, start over, start over
I won't try to change it, I will open my eyes (I won't try to change it, boy
)
But sometimes I wish we could go back in time (Still wish we could make it,
boy)
See our mistakes before we said our goodbyes
And start over, start over, start over ([?])
Yeah, yeah, yeah

Start over, start over (Oh)
I wonder if we (I wonder if we)
Start over, start over
If we
Change it if you made up your mind (Mm)
Wonder could we ever rewind (Could we?)

Mistakes before we make them this time (Mm)
And start over, start over, start over

I won't try to change it if you made up your mind (Mm)
But sometimes I wonder could we ever rewind (Oh)
And see the mistakes before we make them this time (Ooh)
And start over, start over, start over (Oh)
I won't try to change it, I will open my eyes (Start over, start over, ooh)
But sometimes I wish we could go back in time (I wonder if we, ooh)
See our mistakes before we said our goodbyes (Start over, start over)
And start over, start over, start over (I wonder if we)
Yeah, yeah, yeah
