So the answer to the proposition thirty-five forty-two
It is deemed to realize everything begins and ends with you
In accordance to the dance you dance upon the judgement day
You are sanctified, standing in the light

So the answer to the proposition forty-six seventy-three
I believe you will reside within the flame eternally
As a reason we disclose this fact to bring it clear to you
Come home, no question at all

Got to be

In accordance with the facts of life we resolve to show the truth
How we accept the lives of all the world that's coming through
Know you know that all the center of all your godliness creation
It's an automatic system

Don't get in the way of the light that shines from within your heart
And fear, and greed, the ego mind, try to tear apart
Based on imperfection

So the answer to the proposition thirty-five forty-two
