

# Change We Must

Jon Anderson

Oona-a-aya  
Tamara ooha  
Shana too aya  
Lay mi  
Coming through vision  
Coming through wisdom  
Coming together  
This love  
Giving me daytime  
Giving this nighttime  
Bringing within me  
This love  
CHORUS  
Coming through wisdom  
Coming together  
This love  
CHORUS  
Coming to the earth  
Singing to the stars  
Change we must  
To live again  
Coming to the earth to the moon  
Coming to the sky to the earth  
Change we must  
To live again  
We will witness this song, we will sing  
We belong to the world  
"Our Mother so Devine"  
We live again  
This is here  
This is now  
This is love  
This is life that surrounds  
Change we must  
To live again
