

## Hearts

Jon Anderson

Hearing, talking, yes I love you  
Set your heart, sail along the river  
Look around as you drift downstream  
Pouring souls into the ocean  
Take account of all you've seen  
One people together, freedom for today  
So easy the future, so see the children's way  
Love me, teach me, know me  
One people together, freedom for today  
Tomorrow forever, so see the people's way  
Many moons cascade one river  
They light from side to side  
As we cross in close proximity  
Like rivers our hearts entwine  
Howe we talk, how we teach our children  
How we move, we direct our eyes  
Like senses tuned discovery  
As and as when our hearts decide  
Be ready now, be ye circle  
Be the central force ye life  
As the game extends the cycle  
Be ready to move

CHORUS

One heart's for love, one's for giving  
Sailing down the river  
Two hearts are better than one  
Throwing out a line  
I'm hearing it, I'm living it  
I believe in it, I'm loving it  
Sharing in our fortunes  
Two hearts are better than one  
In and out of time  
As we flow down life's rivers  
I see the stars glow one by one  
All angels of the magic constellation  
Be singing us now
