

Need It Badd

Jon B.

I know I can be your anything.
(I can be your anything anything anything.)
I know I can be your trampoline.
Bouncin' up and down, you know what I need.
Try not to blink your eyes and see.
(Try not to blink, try not to blink.)
Longer as you can fantasize with me.
Cause you know what I need.

Girl ain't no such thing as you and me wastin' time
That good feelin', right there when I need it bad.
No being bashful while the camera's flashin'.
I'll be right there, right there when you need it bad.
Ain't no such thing as you and me wastin' time.
That good feelin', right there when I need it bad.
No being bashful while the camera's flashin'.
I'll be right there, right there when you need it bad.

Do you need directions when somebody is way.
(You can ride slower baby, you can ride slower baby)
Girl you know that you can keep it flying with me.
Girl ain't no letting go,
(girl ain't no letting go)
Bouncin' up and down, you're all I need.
(You're all I need)
When it's turbulence.
I can be the one, don't you be afraid with me.
Just hold my hand don't have to turn the cheek.
It's like a roller coaster.

Girl ain't no such thing as you and me wastin time.
(Wastin time)
That good feelin', right there when I need it bad.
(bad baby)
No being bashful while the camera's flashin'.
I'll be right there, right there when you need it bad.
Ain't no such thing as you and me wastin time.
That good feelin', right there when I need it bad.
(I need it bad)
No being bashful while the camera's flashin'.
I'll be right there, right there when you need it bad.

Girl ain't no such thing as you and me wastin' time
That good feelin', right there when I need it bad.
No being bashful while the camera's flashin'.
I'll be right there, right there when you need it bad.
Ain't no such thing as you and me wastin' time.
That good feelin', right there when I need it bad.
No being bashful while the camera's flashin'.
I'll be right there, right there when you need it bad.

Need it bad
I need it bad (9x)
You know that I need it,
I need it,
I need it bad.
