

# Priceless

Jon B.

Hey, pretty lady  
What you doing, baby?  
Nine to five driving you crazy  
Let's go pulling up in a Mercedes  
Hop out, we'll take a trip to Cabo  
Private jet, you go wherever I go  
Spending money like you won the lotto  
It ain't tricking if you got it, that's the motto

Show you something you ain't never seen before  
It's real life, you ain't gotta dream no more  
Let's jump into some new shit like Geronimo  
We'll be gone until November, let your momma know  
[?] in a cabana sipping champagne  
Pour it up, we ain't worried 'bout a damn thing  
Girl, your sun-kissed body drive me insane  
Make me glad you got my last name

You know what you got there is priceless, priceless  
Priceless  
Yeah, money, it can buy you diamonds, diamonds  
For your fine ass  
'Cause you can have anything you want girl, want girl  
'Cause you're priceless  
All I really need is your good love, good love  
With your fine ass, ooh

I think it's time that I promote you to the ocean  
Anchors off, [?] got us coasting  
Expose you to this yacht life  
Kissing your body in the moonlight  
Make you feel right, all night  
Diamond necklace make you twinkle like the stars  
Can't explain just how beautiful you are  
As long as you're next to me  
Baby, you already got everything  
And anything you need

Show you something you ain't never seen before  
It's real life, you ain't gotta dream no more  
Let's jump into some new shit like Geronimo  
Gone until November, let your momma know  
[?] in a cabana sipping champagne  
Pour it up, we ain't worried 'bout a damn thing  
Girl, your sun-kissed body drive me insane  
Make me glad you got my last name

You know what you got there is priceless, priceless  
Priceless  
Yeah, money, it can buy you diamonds, diamonds  
For your fine ass  
'Cause you can have anything you want girl, want girl  
'Cause you're priceless  
All I really need is your good love, good love  
With your fine ass, ooh

Working on these night shifts

But you always my nightcap  
Pull up in this S-class  
I know that you like that  
Take flights, no time left  
Flying till we get jetlag  
Leave the bags with the [?]  
Chateau, playing with the bubblebath

Backrubs in the bath tub  
Give you it all, you never get enough  
Tinted it all till you want it rough  
Counting the price, almost give it up  
Like a bank teller, put the checks out  
There is no price you could pay for love

You know what you got there is priceless, priceless  
Priceless  
Yeah, money, it can buy you diamonds, diamonds  
For your fine ass  
'Cause you can have anything you want girl, want girl  
'Cause you're priceless  
All I really need is your good love, good love  
With your fine ass

You know what you got there is priceless
