

# CRY

Jon Batiste

Who do you love?  
Who you gonna love?  
Who you do you love when push comes to shove?  
How does it feel?  
How's it gonna feel?  
How does it feel when it's getting too real?

Why sometimes does it seem like all I wanna do  
All I wanna do is cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry

What can you say?  
What you gonna say  
To make it okay?  
And who's gonna pay?  
Who will you fight?  
How you gonna fight?  
Who will you fight to make it alright?

Why sometimes does it feel like all I wanna do  
All I wanna do is cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry

Floods keep on rising  
Tears keep on falling down  
Oh, why?  
Cry

Cry, cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry

For the loss of the innocence  
For the struggle of the immigrants  
For the wrongful imprisonment

Cry, cry  
Cry, cry  
Cry, cry, cry
