

## DO IT ALL AGAIN

Jon Batiste

When you're down, I'm lower  
And when you're happy, I am too  
To love you is to know you  
You're my light, you're my truth  
When no one understands me  
You've got it figured out  
Who we are and what we can be when we give without doubt

Coming and going  
We reap what we're sewing  
On time like a tambourine  
Older and younger  
You don't have to wonder what you mean to me, yeah

All my loved here  
It is now, it was then  
And when it comes to you, I'd do it all again  
No, I won't let you down  
'Cause now I understand  
There's no need to pretend  
When it comes to you, I'd do it all again

When I'm lost, you find me  
When I'm happy, it's your shine  
You know the way to ground me  
You do it every time  
When we're all alone in the secret-ist of places  
You bring us up to Heaven with your saving graces

Coming and going  
We reap what we're sewing  
On time like a tambourine  
Older and younger  
You don't have to wonder what you mean to me, yeah

All my loved here  
It is now, it was then  
And when it comes to you, I'd do it all again  
No, no, I won't let you down  
'Cause now I understand  
There's no need to pretend  
'Cause when it comes to you, I'd do it all again

I'd do it all again (I'd do it all again)  
Yeah, do it all again (Do it all again)  
(Do it all again) Ooh, ooh
