

Don't Stop

Jon Batiste

When it comes to loving me, don't stop
I know there ain't no guarantee, but don't stop
Let's keep it shaking while we can
You don't need another man
We'll be rolling with the plan, don't stop

When it's near to closing time, don't stop
Put your hand in mine, don't stop
We'll dance the night away
Won't care what people say
No pause, press play, don't stop

Don't stop dreaming, don't stop believing
'Cause you know our time is coming up
So with all you've got, don't stop

There's a reason that you're here, don't stop
You ain't got nothing to fear, so don't stop
This train has left the station
Who knows what destination
This love is for the taking, don't stop

Don't stop dreaming, don't stop believing
'Cause you know that our time is coming up
Let's soak up the day
And dance the night away
So with all you've got, don't stop
So with all you've got, don't stop
