

# Hello, Billy Bob

Jon Batiste

Hello, everybody  
I'm Billy Bob Bo Bob  
And I'm your host  
One of the faithful few  
Purifying the airwaves on behalf of you

We want you settle in before things get rowdy and ratchet  
We gon' have a good ol' time  
You heard correctly: we'll be in here from Saturday night all the way into Sunday morning  
So let's keep it shaking

Music we have planned for tonight comes from all around the world  
And faithful listeners of World Music Radio know  
This is an experience

Next up on the ones and twos is the Rico song, better known as "Raindance"
