

# Is It Over

Jon Batiste

I want you in the worst way  
Even on your worst day  
But you left me stranded  
Open arms and empty-handed

Please tell the truth  
Tell me now  
Tell me how  
Is this over?  
Is this over?  
Please tell the truth  
Tell me now  
Tell me how  
Is this over?  
Is this over?

And she said  
Yeah  
And she said  
Yeah

Tell me (tell me)  
Tell me  
I'm waiting to see you cry  
Let me (let me)  
Let me  
Through the darkest and brightest rise  
Grow me (grow me)  
Grow me  
Oh, push me to be a better guy

But please, tell the truth  
Tell me now  
Tell me how  
Is this over?  
Is this over?  
Please tell the truth  
Tell me now  
Tell me how  
Is this over?  
Is this over?

And she said  
Yeah  
And she said  
Yeah

You love and you can't deny  
And you try so hard, you try  
But it's me and you, not I

Please me (please me)  
Please me  
And just tell me what I want to hear  
And she said  
Yeah
