

MAYBE

Jon Batiste

Maybe I'm just wasting my time
Or maybe this is all by some strange design
Just maybe
Maybe I just need to unwind
But am I really trying?
But am I really trying?
Just maybe

Yeah, yeah, yeah

Maybe I'm just an actor
And maybe this is all just practice for something
For something
There is something
There is something
There is something
Maybe

Maybe I'm just wasting my time
Or maybe this is part of some strange design
Maybe
Aye
Huh

Maybe I should just get a job
Or maybe we should all
Just take a collective pause
Just maybe
Just maybe
Maybe
Just maybe
Just maybe
