

MOVEMENT 18' (Heroes)

Jon Batiste

Our Father
Which art in heaven
Hallowed be thy name
Thy kingdom come, thy will be done
On earth as it is in heaven
Give us this day our daily bread

And forgive us our trespasses
As you forgive those who trespass against us
Lead us not into temptation
But deliver us from evil
For thine is the kingdom of found glory
Forever and ever

I have conscious divine intelligence
I have guided knowledge of truth
I individualize omniscience
I have perfect intuition
I have powerful, and very passionate spiritual perception
I know that I am because God is guiding me

And heroes who are called to represent a bit of humanity, at large, can also remind us that the great cultural heroes from New Orleans belong in the same platform with the great heroes of humanity

How do we deal with Ego?
I think our egos should serve us
Instead of serving it
We have to learn
How to serve others

Ideas?
Oh man, I got a million dreams
It's all I do
Is dream, all the time

I thought you played piano
No, no, this is not piano
This is dreaming
