

OBLIVIOUS

Jon Bellion

Who do you love?
Who do you love?
Say I'm the one!
Say I'm the one!

In a sky full of red
You're my light
You're as high as it gets
Take my pride
Shoot it dead
I'm alive
If love is a lie I'm oblivious

Oh oh oh
(Oblivious)
Aye aye aye
I'm oblivious
Oh oh oh
(Oblivious)
Aye aye aye
I'm oblivious

Who do you love?
Who do you love?

In a sky full of red
You're my light
You're as high as it gets
Take my pride
Shoot it dead
I'm alive
If love is a lie I'm oblivious

Oh oh oh
(Oblivious)
Aye aye aye
I'm oblivious
Oh oh oh
(Oblivious)
Aye
If love is a lie I'm oblivious
Oh oh oh
Aye aye aye
I'm oblivious
Oh oh oh
(Oblivious)
Aye
If love is a lie I'm oblivious

Who do you love?
Who do you love?
Who do you love?
Who do you love?
Who do you love?
