

# One More Time

Jon Bellion

Yeah, yeah!  
Your father said he would break my legs  
If I ever came around again!  
I don't mind risking the wheelchair  
If we could get another round in

Oh-oo-oh you told him you would stay away  
But here you are, I kiss your face  
You touch my chest, I feel your legs  
We're in too far (yeah!), I hear you say (yeah!)

One more time  
(I need you, I need you, I need you!)

One more time  
(I need you, I need you, I need you!)

It's dangerous in the action sequence  
And I'm ready to die hard!  
It's like we're stuck in an 80's movies  
As you're sneaking into my car!

Oh-oo-oh you told him you would stay away  
But here you are, I kiss your face  
You touch my chest, I feel your legs  
We're in too far (yeah!), I hear you say (yeah!)

One more time  
(I need you, I need you, I need you!)

One more time  
(I need you, I need you, I need you!)

As we wake up in my car, you're on my chest  
Oh, and you got ninety missed calls, one hundred texts  
Screw your pops, let's get some IHOP!  
Screw your pops, let's get some IHOP!  
Screw your pops, let's get some IHOP!  
But before we go  
You told me that we should do it

One more time  
(I need you, I need you, I need you!)

One more time  
(I need you, I need you, I need you!)
