

He Needs Me

Jon Brion

And all at once I knew
I knew at once
I knew he needed me

Until the day I die
I won't know why
I knew he needed me

It could be fantasy, oh
Or maybe it's because

He really needs me, needs me, he needs me
He needs me, he needs me, he needs me

It's like a dime a dance
I'll take a chance
I will because he needs me

No one ever asked before
Before because they never needed me
But he does

Maybe it's because he's so alone
Maybe it's because he's never had a home

He needs me, he needs me
He needs me, he needs me
He needed me

For once, for once in life
I've finally felt
That someone needed me

And if it turns out real
Then love can spin the wheel
Because

He needs me, he needs me
He needs me, he needs me (I need him)
He needs me, he needs me (I need him)
