

# Talk

Jon Bryant

Can we just talk? Can we just talk?  
Talk about where we're goin'  
Before we get lost, let me out first  
Can't get what we want without knowin'

I've never felt like this before  
I apologize if I'm movin' too far  
Can we just talk? Can we just talk?  
Figure out where we're goin'

Started off right  
I can see it in your eyes  
I can tell that you're wantin' more

What's been on your mind?  
There's no reason we should hide  
Tell me somethin' I ain't heard before

Oh, I've been dreamin' 'bout it  
It's you that I want  
So stop thinkin' 'bout it

Can we just talk? Can we just talk?  
Talk about where we're goin'  
Before we get lost, let me out first  
Can't get what we want without knowin'

I've never felt like this before  
I apologize if I'm movin' too far  
Can we just talk? Can we just talk?  
Figure out where we're goin'

Penthouse view, left some flowers in my room  
I'll make sure I'll leave the door unlocked  
Now I'm on my way, swear I won't be late  
I'll be there by five o'clock

You've been dreamin' 'bout it  
And I'm what you want  
So stop thinkin' 'bout it

Can we just talk? Can we just talk?  
Talk about where we're goin'  
Before we get lost, let me out first  
Can't get what we want without knowin'

I've never felt like this before  
I apologize if I'm movin' too far  
Can we just talk? Can we just talk?  
Figure out where we're goin'

I've never felt like this before  
I've never felt like this before

Can we just talk? Can we just talk?  
Talk about where we're goin'  
Before we get lost, let me out first

Can't get what we want without knowin'

I've never felt like this before  
I apologize if I'm movin' too far  
Can we just talk? Can we just talk?  
Figure out where we're goin'  
Can't we just talk?
