

In Love

Jon Foreman

In love, in love, in life, in love
In you, in love, in death, my love
In time, in love, in place, in love
In form, in love, in death, my love
My God, my love, my life, my love
Is yours, my love, my bride, my love
This cross, my love, is mine, my love
To bear, my love, to die, my love
This cup, my love, this bread, my love
My life, my love, is yours, my love
Come drink, my love, my blood, my love
My life, my love, in death, my love
My God, my love, my life, my love
Is Yours, my love, my bride, my love
This cross, my love, is mine, my love
To bear, my love, it's time, my love
