Inner Peace

Jon Foreman

Inner peace is hard to find
Peace of heart and peace of mind
Feels like I'm running all the time
Like I'm at war inside
I've been fighting all my life

How can we be ourselves
If we don't know who we are
I can't blame myself on anyone else's time
I can't blame myself on anyone else's time

There's gotta be a reason for the pain
There's gotta be a reason why it rains when I'm alone
There's gotta be a reason why I'm longing for a justice
I ain't ever seen
A water that could make us clean, yeah

How can we be ourselves
If we don't know who we are
I can't blame myself on anyone else's time
I can't blame myself on anyone else's time
I can't blame myself on anyone else's time

The window of my soul is so unclean
Shattered by the vices and the violence that I've seen
Purity of heart is to will one thing
But I've got a lot on my mind
Yeah maybe I'm a mess inside

How can we be ourselves
If we don't know who we are
I'm looking for the one that made me
That made me
That made me
I'm looking for the One
That made me
That made me
