

Jesus, I Have My Doubts

Jon Foreman

Jesus. I'm sorry bout last night
Jesus. We both know I tried
Jesus. Feels like the worlds in pieces
I'm sure you've got your reasons
But I've got my doubts
Jesus, I've got my doubts

When everything that's right feels wrong
And all of my belief feels gone
And the darkness in my heart is so strong
Can you reach me here in the silence?
Singing these broken songs
Looking for the light for so long
But the pain goes on and on and on
Can you reach me here in the silence?

Jesus. What a week we've had?
Jesus. Has the world gone mad?
Jesus. Feels like the worlds in pieces
I'm sure you've got your reasons
But I've got my doubts
Jesus, I've got my doubts

When everything that's right feels wrong
And all of my belief feels gone
And the darkness in my heart is so strong
Can you reach me here in the silence?
Singing these broken songs
Looking for the light for so long
But the pain goes on and on and on
Can you reach me here in the silence?

Are you there? Can you hear me?
Do you care? Are you near me?
Cause I'm scared and I'm weary
Are you there? Can you hear me?
Are you there? Can you hear me?
Do you care? Are you near me?
Cause I'm scared and I'm weary
Are you there?

When everything that's right feels wrong
And all of my belief feels gone
And the darkness in my heart is so strong
Can you reach me here in the silence?
Singing these broken songs
Looking for the light for so long
But the pain goes on and on and on
Can you reach me here in the silence?

(Can you reach me here in the silence?)
(Can you reach me here in the silence?)

Can you reach me here in the silence?
I have my doubts
