

How to Say Goodbye

Jon McLaughlin

Don't say a word
Let the silence bend and curve
Around us like a barrier
That holds the hurt at bay

Time stands still
And holds us both against our will
In a constant state of mouths that fill
With words that we can't say

So hold me closely
Tell me that we're gonna be fine
I don't know how to say goodbye
I don't know how to say goodbye
God knows why or how but we are running out of time
I don't know how to say goodbye
I don't know how to say goodbye

Part of me
Forevermore will always be
Quietly remembering
You underneath my breath

How much you meant to me
How much better my whole life will always be
I'm sorry but I can't find the words
To tell you how I feel
