Imaginary Tea

Jon McLaughlin

I love you more than you will ever know
I love you no matter what you do
I'm gonna hold you as long as you will let me
'Cause you're mine, I love you

I loved you before I heard ever heard your voice
Before I even knew your name
I loved you before I saw those pretty eyes
I loved you right away

So take it slow
Before you know it, you'll be old and grown
Just remember that I'm always here
Hands you can hold on to

I love you

Don't worry what anybody else will say
Don't hurry to break that precious heart
When you try to be like somebody else
Remember I love you the way you are

So take it slow
Before you know it, you're gonna be old and grown
Just remember that I'm always here
Hands you can hold on to

And I love you

So let's climb every tree
And drink imaginary tea
And speak a language only we can understand
And I will fight back the tears
As we fly through the years
And I'll keep you as close as I can

I love you more than you will ever know
I love you no matter what you do
And I'm gonna hold you as long as you will let me
'Cause you're mine, I love you
