

## Not In This Song

Jon McLaughlin

If you think I'm gonna sing about my broken heart  
And how bad it's been torn apart  
You'd be wrong, so wrong  
Not in this song  
If you think I'm gonna sing about the pouring rain  
Dark clouds and lonely days  
You'd be wrong, so wrong  
Not in this song

You may wanna change  
The station you're listening to  
'Cause this ain't a song about  
How I still love you

If you think I'm gonna sing about wanting it back  
And losing the best thing I ever had  
You're still wrong, so wrong  
Not in this song

You may wanna change  
The station you're listening to  
'Cause this ain't a song about  
How I still love you

You may wanna change  
The station you're listening to  
'Cause this ain't a song about  
How I still love you  
You may wanna change  
The station you're listening to  
'Cause this ain't a song about  
How I still love you

If you think I'm gonna sing about my broken heart  
You'd be wrong, not in this song
