

Not There Yet

Jon McLaughlin

Car keys, coffees
Driving, you next to me
90's R&B
Is up loud and you're belting it out
I've never heard this song before
I swear I've never loved you more

This road could go forever
As long as we're together
I hope we're not there yet
I hope we're not there yet
Oh, miles keep 'em coming
Cause I don't really want it to end
I hope we're not there yet
I hope we're not there yet

State lines and good signs
Telling all our deepest secrets
Truth I didn't know I needed
Then a long stretch where we're just quiet
Cause love like ours there's nothing to it
We don't have to prove it

This road could go forever
As long as we're together
I hope we're not there yet
I hope we're not there yet
Oh, miles keep 'em coming
Cause I don't really want it to end
I hope we're not there yet
I hope we're not there yet

Horizons flying past your face
And everything else fades away

This road could go forever
As long as we're together
I hope we're not there yet
I hope we're not there yet
Oh, miles keep 'em coming
Cause I don't really want it to end
I hope we're not there yet
I hope we're not there yet
