

## Nothing Compares 2 U

Jon Pardi

It's been seven hours and thirteen days  
Since you took your love away  
I go out every night and sleep all day  
Since you took your love away

Since you've been gone I can do whatever I want  
I can see whomever I choose  
I can eat my dinner at a fancy restaurant  
But nothing, I said nothing can take away these blues

'Cause nothing compares  
No, nothing compares to you  
Nothing, nothing

It's been so lonely without you here  
I was like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me, baby, where did I go wrong?

I could put my arms around every girl I see  
But they'd only remind me of you  
I went to the doctor and guess what he told me  
Guess what he told me  
He said, "Boy, you better try to have fun no matter what you do  
."  
But he's a fool

'Cause nothing compares  
No, nothing compares to you  
Nothing, nothing

All the flowers that you planted, mamma, in the backyard  
All died when you went away  
I know that living with me, baby, was some kind of hard  
But I'm willing to give it another try

'Cause nothing compares  
No, nothing compares to you

I said nothing compares  
No, nothing compares to you
