

Keep Me Near

Jon Reddick

How good, how good it is to know You
In everything, You brought me through
Your mercy came running to my rescue
Oh, God, there is none like You

I will keep my eyes only on my King
I will not look back, You're my everything
Oh, my praise will rise and my song shall be
Keep me nearer, Lord, my God

Your peace that passes understanding
It's healing my tired and restless soul
Unfailing, Your love, it satisfies me
And still, You leave me wanting more, oh, oh

I will keep my eyes only on my King
I will not look back, You're my everything
Oh, my praise will rise and my song shall be
Keep me nearer, Lord, my God to Thee
Oh, nearer, Lord, my God, oh

Still, all my song shall be
Nearer my God to Thee
Still, all my song shall be
Nearer my God to Thee
Still, all my song shall be
Nearer my God to Thee
Still, all my song shall be
To nearer my God, oh

I will keep my eyes only on my King
I will not look back, You're my everything
Oh, my praise will rise and my song shall be
Keep me nearer, Lord, my God, yeah

Said I will keep my eyes only on my King
I will not look back, You're my everything
And, oh, my praise will rise and my song shall be
Keep me nearer, Lord, my God to Thee
Keep me nearer, Lord, my God, oh
Keep me nearer, Lord, my God

Still, all my song shall be
Nearer my God to Thee
