

# What A Love

Jon Reddick

What is this love that chases me  
And won't give up 'til I am free?  
Where all the darkness blinding me  
Must surrender to my Savior's love

What is this love that never leaves?  
Just as I am, You father me  
You being here says everything  
Oh, the presence of my Savior's love

What a love, oh, wondrous love  
I'm sealed with hope, I'm bound by blood  
Oh, give thanks to the Lamb of God  
Sing hallelujah for our Savior's love

Oh, my Savior's love, what tongue can tell  
The wonders of the grace that fell  
And washed away my shame and guilt  
Oh, the mercy of my Savior's love

My Savior's cross, a reckoning  
You went to war with Hell for me  
Now sings my soul, praise God, I'm free, eh  
Oh, the power of my Savior's love

Oh, what a love, oh, wondrous love  
I'm sealed with hope, oh, I'm bound by blood  
Oh, give thanks to the Lamb of God  
Sing hallelujah for our Savior's love

There is nothing better  
I will stay forever Yours  
In Your love, Jesus  
Oh, I, I will have no other  
There is not another love  
Like your love, Jesus, oh

There is nothing better  
I will stay forever Yours  
In Your love, Jesus, oh  
I will have no other  
There is not another love  
Like Your love, Jesus  
Like Your love, Jesus  
Like Your love, Jesus  
Like Your love, like Your love, say

What a love, oh, wondrous love  
I'm sealed with hope, I'm bound by blood  
Oh, give thanks to the Lamb of God  
Sing hallelujah for our Savior's love

What a love, oh, wondrous love  
I'm sealed with hope, I'm bounded by blood  
Oh, give thanks to the Lamb of God  
Sing hallelujah for our Savior's love
