

Yield

Jon Reddick

If anything I do, it doesn't bring glory to You
Lord I surrender, I surrender
If anything I own, it isn't Yours and Yours alone
Lord I surrender, I surrender

I give You full reign
Holy Spirit, Holy Spirit
Whatever You say
I will do it, I will do it
I yield, I yield, I yield
My life to you
I yield, I yield, I yield
It all to you

My hands are open wide, to say I trust You with my life
Your way is better, it's better
The fullness of my heart, it's every room Lord every part
It's Yours forever, oh it's Yours forever

I give You full reign
Holy Spirit, Holy Spirit
Whatever You say
I will do it, I will do it
I yield, I yield, I yield
My life to you
I yield, I yield, I yield
It all to you

Your way, Your time
Your will not mine
I surrender all
Your path Your plan
My life in Your hands
I surrender all

Your way, Your time
Your will not mine
I surrender
I surrender all
Your path Your plan
My life in Your hands
I surrender
I surrender all

I surrender all
I surrender all

I give You full reign
Holy Spirit, Holy Spirit
Whatever You say
I will do it, I will do it
I yield, I yield, I yield
My life to you
I yield, I yield, I yield
It all to you

I yield, I yield, I yield

My life to you
I yield, I yield, I yield
It all to you
