

Do you believe in us

Jon Secada

I tremble inside just thinking about the world around us
Scared, can't help to wonder
Don't want any changes about the way we feel
Do you know what I mean?

Catch me, I'm falling
Say it's gonna be alright, it's gonna be alright
I know that we belong: do you believe in us?
I'll give you all I can

Yes our love will still be strong
Girl, I believe in us, I'll give you all I can
Time has redefined the meaning of love, the way we know it

Love, the way we show it
I don't want any changes when it comes to you
I like us the way it is
No matter what happens

Say it's gonna be alright, it's gonna be alright
I know that we belong: do you believe in us?
Just give it half a chance
Yes our love will still be strong

Girl I believe in us, I'll give you all I can
I don't want any changes unless you want them too
Forever ain't long enough, baby, nothing can change us
Say it's gonna be alright, it's gonna be alright
