

Fascination

Jon Secada

It was fascination, I know
And it might have ended
Right then, at the start
Just a passing glance
Just a brief romance
And I might have gone on my way
Broken-hearted

It was fascination, I know
Seeing you alone with the moonlight above
When I touched your hand
And next moment I kissed you
Fascination turned to love

It was fascination, I know
Seeing you alone with the moonlight above
When I touched your hand
And next moment I kissed you
Fascination turned to love
My one and only love
My one and only love
