

## I live for you

Jon Secada

The sunrise within  
That leads to nowhere  
Sometimes I feel that way  
But my heart is filled  
With you inside  
When I feel your presence  
In my mind.

I live for you  
Stay with me forever  
Didn't meant to leave you waiting  
And so you've heard  
A vow of love becomes a promise  
So here's my promise  
I'll always love you.

Moments in time  
With empty feelings  
Seems there's nowhere I could hide  
And then I found you to make me strong  
Now I belong to you.

I live for you  
Stay with me forever  
Didn't mean to leave you waiting  
And so you've heard  
A vow becomes a promise  
So here's my promise  
I'll always love you.

Deep in my soul I had to choose  
Well now you know the truth.

I live for you  
Stay with me forever  
Didn't mean to leave you waiting  
And so you've heard  
A vow becomes a promise  
So here's my promise  
I'll always love you.
