

Let It Snow

Jon Secada

Oh, the weather outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow

When we finally kiss good night
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

Fire is slowly dying
And, my dear
We're still goodbying
As long as you love me so
Let it snow
Let it snow, let it snow

He doesn't care if it's in below
He's sitting
By the fires glossy glow
He don't care about the cold
And the winds that blow
He just says, let it snow
Let it snow, let it snow
Let it snow

Ooh, wee, goes the storm
Why should he worry
When he's nice and warm?
His girl by his side
And the lights turned low
He just says
Let it snow, let it snow
I don't care

Oh, the weather outside is frightful
But that fire is, mmm, delightful
Since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've brought lots of corn for popping
The lights are turned way down low
So, let it snow, let it snow, let it snow
Let it snow

When we finally say good night
How I'll hate going out in the storm
But if you'll only hold me tight
All the way home I'll be warm

Fire is slowly dying

And, my dear, we're still goodbying
Long as you love me so
Let it snow, let it snow, let it snow
