Lost Inside Your Heart

Jon Secada

I'm lost inside your heart
But you couldn't even find me
Where you hardly ever go
That's what I've come to know
I'm lost inside your heart

I'm lost inside your heart (oh-oh)
I'm sheltered by a feeling
And what no one else can see
That's what you gave to me
I'm lost inside your heart

And here
I'll stay until forever said and done
My dream came true the day I met you
(You're everything to me)
Our love is all that I believe in
No matter where you are
Oh, no, close your eyes, and I'll be there somewhere
Lost inside (your heart) your heart, oh-oh

Nothing else matters, my love
I don't care, don't you worry about tomorrow
When it gets dark, I'll follow your star
(Follow your star)

La-la-la-la-la-la-la, la-la-la-la-la
Our love is all that I believe in
And here
Oh-oh-oh, yeah, yeah, yeah
I'll stay until forever said and done (I'll stay, baby)
My dream came true the day I met you (you're everything to me)
Our love is all that I believe in, oh-oh, yeah

No matter where you are
Close your eyes, and I'll be there somewhere
Lost inside your heart
Oh-oh
Lost inside your heart, baby
Lost inside your heart
