

She Beats All I've Ever Seen

Jon Wolfe

I've seen the sun rising
From a sugar sand island
Watched the palm trees swaying gently in the summer breeze
Done some high mountain climbin'
A lot of blue sky divin'
Been all around the world from the desert to the seven seas

And she beats all I've ever seen
In an old t-shirt and a wore out pair of jeans
She's got a heart of gold
It shines every time she looks at me
Yeah, she beats all I've ever seen

She's a rainy day good hang
My sunny day sweet thing
She's a rainbow shinin' at the end of a country road
Yeah, she's a show stopper
A real jaw dropper
She lights up a room every time anywhere she goes

And she beats all I've ever seen
In an old t-shirt and a wore out pair of jeans
She's got a heart of gold
It shines every time she looks at me
Yeah, she beats all I've ever seen

No, you don't have to tell me
I already know that I'm the luckiest man alive
Yeah, it always happens
Every time I see her I just can't believe my eyes

She beats all I've ever seen
In my old t-shirt and a wore out pair of jeans
She's got a heart of gold
It shines every time she looks at me
Yeah, she beats all I've ever seen
Yeah, she beats all I've ever seen
All I've ever seen
All I've ever seen
