

# Tequila Sundown

Jon Wolfe

I've been out on a boat all day  
And the fishin' I guess was okay  
But I didn't catch near enough  
So I caught me a Cerveza buzz

Now I think it's time I hang it up  
I got a feelin' I'll have better luck  
Pretty soon I'll pull into shore  
When old Tomas is ready to pour

It's a tequila sundown  
In an old Baja beach town  
No problemas for miles around  
Just me and mis amigos I found  
We're just livin' it up down here  
Ain't no reason to cry no tears  
Pass the salt and the lime  
We got nothin' but time  
And a tequila sundown

The tide is high and so is the moon  
The crowd'll be rollin' in real soon  
You never know just what you're gonna get  
With all of us usual suspects

Now and then it gets a little wild  
Tryna make the señoritas smile  
And if we're playin' our chords just right  
One of us will get lucky tonight

It's a tequila sundown  
In an old Baja beach town  
No problemas for miles around  
Just me and mis amigos I found  
We're just livin' it up down here  
Ain't no reason to cry no tears  
Pass the salt and the lime  
We got nothin' but time  
And a tequila sundown (alright)

It's a tequila sundown  
In an old Baja beach town  
No problemas for miles around  
Just me and mis amigos I found  
We're just livin' it up down here  
Ain't no reason to cry no tears  
Pass the salt and the lime  
We got nothin' but time  
And a tequila sundown

Pass the salt and the lime  
We got nothin' but time  
And this tequila sundown
