

Can't Go On

Jon Young

Sometimes I feel like I'm strong
Other times I feel like I'm not
Most times I feel I can't go on, can't go on, yeah

Sometimes I feel like I'm strong
Other times I feel like I'm not
Most times I feel I can't go on, can't go on, yeah

Woke up, wish I didn't wake up
So stuck, in this world of fake love
No-one understands what plagues us
So alone, no-one calling my phone, no

What am I even here for?
What's the point of this pain?
Tell me will I ever be sure?
Of my purpose, I don't think

Sometimes I feel like I'm strong
Other times I feel like I'm not
Most times I feel I can't go on, can't go on, yeah

Sometimes I feel like I'm strong
Other times I feel like I'm not
Most times I feel I can't go on, can't go on, yeah

I feel like I am falling, yeah
With nobody there to catch me, no
I feel like I am on my own
It's been this way for so long
Where did I go wrong?

I've been searching for the answer
But coming up empty
Wish I could escape all the darkness that's in me
I look at everyone else and all I do is envy

Every day, yeah, it's just another day
Wish I could skip right to the end, sleep the pain away
Don't wanna talk to nobody, tell 'em stay away
I aint fuckin with they energy, vibe aint on the same wave length

Yeah, I don't have the strength, nah
Yeah we on a different page, yah
Maybe I'm just crazy
And it's true what they be saying, yeah

Sometimes I feel like I'm strong
Other times I feel like I'm not
Most times I feel I can't go on, can't go on, yeah

Sometimes I feel like I'm strong
Other times I feel like I'm not
Most times I feel I can't go on, can't go on, yeah
