Jon Young

Yeah We Put 'em in the game
Then we hit the block with 'em
We run them thangs down in florida
Ain't no top in em
We got them burps lookin so dunktastic
Orange down to dade, FLA we the baddest.
(2x)

Mayne that dunk dunktastic
The box chevyrific
The olds' cuttacular
The 'lac caddylicious
They put em in the game
They got the fresh paint
They got em raised up
They did the damn thang

Yeah it's about that time
Classic weekend round the corner
Made some changes to the O
Since I took it to daytona
New paint, switch the guts
Raised it up a little high
Got a fresh set of shoes
Trade it at the dade and y's
Now I'm sittin on some floaters
I'm lookin nasty
Got em brand we on the roof
I keep it classic
Never to flashy we do em right
Florida boys got the whip game sowed up tight

Yeah We Put 'em in the game
Then we hit the block with 'em
We run them thangs down in florida
Ain't no top in em
We got them burps lookin so dunktastic
Orange down to dade, FLA we the baddest.
