

When I'm Gone

Jon Young

When I'm gone
When I'm gone
You're gonna miss me when I'm gone
When I'm gone...
You're gonna miss me when I'm gone
When I'm gone
Yea you're gonna miss me
When I'm gone
When I'm gone...

When I'm gone you're gon' miss me
But at first time you'll prolly diss me
Saying that I wasn't shit at all
Frontin like you were the one that decided to cut me loose like you thought
you coulda done better but naw, hell naw

I was best thing you ever had
But you fucked it all up now I'm packing up these bags
I'm booking this flight pulling up price line
I'm flying out tonight before I lose my damn mind
I can't take it anymore no more stallin I'm sure
I guess this is what you wanted always trying to wage war
Fighting every minute pushing me to blow up
Girl get it together your ass need to grow up

When I'm gone
When I'm gone
You're gonna miss me when I'm gone
You gonna miss me
When I'm gone...
You're gonna miss me when I'm gone
When I'm gone...

Yea you gonna be missing me
Like I'm long gone and I'm history
Gave you one chance too many
Now you reached the end of the line
Told you time after time
Ya thought I was bluffing had no spine
Now you see that I'm genuine
What could've been but made up my mind
You had enough time but instead you chose
To remain stubborn in your toes telling me to go
But you're gonna regret it slow up check it
Ya better act right or I'm swayze
Out this bitch no maybes
Don't look at me all crazy
Yea your bullshit don't phase me
Lately I've came to grits with the fact
That I'm over you getting mad
Cause last chance has passed
Where this relationships was at
So I had to shut it down
I could care less if you ever decide to come around
When I'm gone

When I'm gone

When I'm gone
You're gonna miss me when I'm gone
When I'm gone...
You gon miss me
When I'm gone...
