Jon Z

(Everybody, everybody
E-Everybody dance now!)

Ey, esto es pa' ponerte de capota
Que cierren la disco porque dejaste la pista rota, ey
Mayday, mayday, senda nota, las babies toa' loca'
Ella me vio rompiendo y se trepó en el way

Gente 'e to' el mundo quitamo' al bouncer
"Griten la solteras" dijo el announcer
Aquí la movie es R, nunca PG
Se mojan flow Fiji, termino pasándole el squeegee, bo

(Shootter, Shootter, Shootter, Shootter, Shootter, Shootter, Shootter)
No vamo' a bajarle mientras la bebida dure
(Shootter, Shootter, Shootter, Shootter, Shootter, Shootter, Shootter)
Y ahora te traigo el reggaetón pa' que sude'

(Everybody dance now!)
(Everybody dance now!)

(Jon Z, men)

DJ, DJ, don't stop the music
Don't stop the music
Apaga las luces
Pa' que bailando me cure

Baila, baila, baila, dale danza
Moviendo ese body no se cansa
Brava, pero yo la pongo mansa
¿Quieres agarrarlo? En confianza
(Don't stop the music)

Bailando, bailando
Sigue perreando, síguele dando
Sigue guayando, lo estás parando
(-Music)
Bailando, bailando sigue

(Everybody dance now!)
(Everybody dance now!)
(E-E-Everybody dance now!)

Forget about the street and get up out your seat
You do whatever you feel, it's all about the beat
Your moves excellent, whole section lit
Honey showin' me love, they real affectionate

I prepare for that and I care for that
But I'm just doin' my dance 'cause I ain't here for that
This was a rough year, baby, I swear for that
And I'm just happy to be here, let's cheer for that

I ain't even get loose yet, just doin' my two step
Besides that, we ain't even get introduced yet
Takin' a chance and I'm makin' them bands

We just havin' some fun, we just makin' you dance, what?
