

His time with them had stopped,  
It's time for Him to carry out His father's will,  
Is that He drink this cup  
He's told them all along that He would go,  
They could not follow Him  
But He'll be back for them my friend

And now He sweats these drops of blood  
And He prays take this cup from me  
But He knows there's no other way  
His father's will is that He take your sin, your shame,  
Your place upon that cross of pain And die for you

There's no way to repay  
All the pain He went through for you  
His reason: simply His love  
It's time to see the truth  
And understand there's nothing you can do  
His reason was simply you

It was all for, it was all for you  
He bled and He died for you

We live by grace through faith alone in Jesus Christ  
Who died to set us free  
From chains our flesh can give  
You know that even if you were the only one He died for  
That means only your sins drove the nails

No time to hesitate my friend  
No time to second guess His love  
There's nothing else that you can do  
He already gave it all for you  
All for you, all for you, all for you  
Simply you
