I have a choice, but I don't know what to feel
Getting tired of all this fear
Before I choose, let me know that you'll be here
Let me know that you'll be here

D

Cause I'm not afraid to fall

G

If you're the one who catches me

Hmi

A

Tell that you'll be there when I'm
About to lose it all
You're the one who helps me see

D

That sometimes it's ok to fall

(to fall)

When I'm far away from where you are (where you are)
It's ok, cause we're under the same stars
I'm laying down this heavy load (heavy load)
Maybe now I can finally let this go
I can finally let you know

But I'm not afraid to fall
If you're the one who catches me
Tell that you'll be there when I'm
About to lose it all
You're the one who helps me see
That sometimes it's ok

To fall Oh Oh
To fall Oh Oh
To fall Oh oh
To fall
To fall Oh Oh
To fall Oh Oh
To fall Oh Oh
To fall

Not afraid to fall
If you're the one who catches me
Tell that you'll be there when I'm

About to lose it all
You're the one who helps me see

That sometimes it's ok to fall

Oh Oh Oh (Cause I'm not afraid to fall)
Fall Oh Oh Oh (If you're the one who catches me)
That sometimes it's ok to fall

When About to lose it all
You're the one who helps me see
That sometimes it's ok
It will be okay
That sometimes it's ok, to fall

I'm gonna fall
