

It's Not Too Late

Jonas Brothers

Oooh
Here I am
Feels like the walls are closing in
Once again
It's time to face it and be strong

I wanna do the right thing now
I know it's up to me somehow
I've lost my way

If I could take it all back, I would now
I never meant to let you all down
And now I've got to try
To turn it all around
And figure out how to fix this
I know there's a way, so I promise
I'm gonna clean up the mess I made
Maybe it's not too late

So I'll take a stand
Even though it's complicated
If I can, I wanna change the way I've made it

I've gotta do the right thing now
I know it's up to me somehow
I'll find my way

If I could take it all back, I would now
I never meant to let you all down
And now I've got to try
To turn it all around
And figure out how to fix this
I know there's a way, so I promise
I'm gonna clean up the mess I made
Maybe it's not too late
Maybe it's not too late, oh

I'm gonna find the strength to be
The one that holds it all together
Show you that I'm sorry
But I know that we can make it better

If I could take it all back, I would now
I never meant to let you all down
And now I've got to try
To turn it all around
And figure out how to fix this
I know there's a way, so I promise
I'm gonna clean up the mess I made
(Mess I made)
Maybe it's not too late

I never meant to let you all down
Now I've got to try
To turn it all around
And figure out how to fix this
I know there's a way, so I promise

(Promise)

I 'm gonna clean up the mess I made

Maybe it 's not too late

Maybe it 's not too late

Ooooh, yeah
