

# Live to Party

Jonas Brothers

Yeah!

Hey! Hey! Hey!

I was sittin' at home watching TV all alone  
So tired of re-runs, I've memorized this show

So I pick up the phone and call everyone I know  
Said there's gonna be a party, hit the music here we go

We're gonna live to party, gotta bust your move  
Everyone's in the groove  
Tell the DJ to play my song  
Are you ready to rock 'n roll?

Hey! Hey! Hey!

We were out on the floor and we danced the night away  
And she looked at her watch and said that it was late  
And she pulled me aside and said she couldn't stay  
(I really gotta go!)  
But I begged her for one more song  
Let the music play!

We're gonna live to party, gotta bust your move  
Everyone's in the groove  
Tell the DJ to play my song  
Are you ready to rock 'n roll?

Hey! Hey! Hey!

I drove her home and she whispered in my ear  
Party doesn't have to end, we can dance here

Live to party, gotta bust your move  
Everybody's in the groove  
Tell the DJ to play our song  
Are you ready to rock 'n roll?

Gonna live to party, gotta bust your move  
Everyone's in the groove  
Tell the DJ to play out song  
Are you ready to rock 'n roll?

LIVE! TO! PARTY!
