Jonas Brothers

Jersey!  
Supernatural, ooh, you're that miracle  
Oh

Whoa

Walking on a hot coal never wore a rhinestone but you really suit my body  
It's like I got my hands on lightning in a sandstorm (Whoa-whoa-whoa)  
Steaming like a side street, deep up in July heat make a grown man cry out  
You do-do-do-do you are, are

Miracle  
You're something like a full-blown  
Miracle  
The places that your hands go  
Miracle  
The rock for me to stand on  
Supernatural, ooh, you're that miracle  
The devil had my hands tied  
Miracle  
And then you came in like a landslide  
Miracle  
That's why I hit the left right  
Supernatural, ooh, you're that

Miracle

Sweeter than a pastry winter  
With the AC colder than a snowflake on me  
Exactly what I prayed for  
Crushin' like a baseball (Whoa-whoa-whoa)  
Come on  
Demons better watch out  
Angel on the clock now, Heaven let the rain drop down  
You do-do-do-do you are, are

Miracle  
You're something like a full-blown  
Miracle  
The places that your hands go
