

Remember When

Jonas Brothers

Memory

Memory's a tap on the glass

Just askin' questions

Every

Every ripple in our past

Had good intentions

Oh, you can make new friends but not old

'Cause they won't know

Every "remember when"

Floods my mind with little images of simpler times

Every "remember when"

Brings me right back to the innocence of childish eyes

When fuses weren't so short

And laughin' wasn't forced

The benefit of doubt was yours

Every "remember when" makes me remember when I had the innocence

To love you without keepin' score

Life is

Life is a test they should give

Before we all turn eighteen

Let it

Let it get too relative and you'll be stir crazy till you're pushin' daises

And, oh, you can make new friends but not old 'cause they won't know

Every "remember when"

Floods my mind with little images of simpler times

Every "remember when"

Brings me right back to the innocence of childish eyes

Oh, when fuses weren't so short

And laughin' wasn't forced

The benefit of doubt was yours

Every "remember when" makes me remember when I had the innocence

To love you without keepin' score

Oh-oh-oh-oh-oh

Oh (Oh-oh-oh-oh-oh)

(Oh-oh-oh-oh-ooh-oh-ooh-oh-ooh-oh-oh) Love you without keepin' score

Oh-oh-oh-oh-oh

Yeah (Oh-oh-oh-oh-oh)

Oh-oh-oh-oh-ooh-oh-ooh-oh-ooh-oh-oh

Oh-oh, when fuses weren't so short and laughin' wasn't forced (Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh)

The benefit of doubt was yours (Oh-oh-oh-oh-ooh-oh-ooh-oh-ooh-oh-oh)

Every "remember when" makes me remember when I had the innocence

To love you without keepin' score
